Last year we stood before you asking to commit to three initiatives. These initiatives allowed us to **connect through grace** by supporting children in attending a fully funded music camp. **Connect through grace** by upgrading our communication and accounting systems. And **connect through grace** by remodeling our building to not only create a more inviting facility, but to reduce our carbon footprint in the process.

As we look forward to continuing to fulfill these initiatives, we are aware that the initiatives are continual and your commitment to the initiative is also continual. We are in the season of preparing for **commitment Sunday** where you will once again be asked to prayerfully consider your personal commitment to these initiatives and other ways Zion continues to connect through grace.

Our **annual congregational meeting** will be held after the 10:30 am service on November 11th. We will be presenting our vision for 2019. On December 2nd, we ask that you prepare and turn in your statement of intent to formally declare your commitment of time, talent and financial gifts for 2019.

Thank you for your participation during this exciting season!
